UTC means Universal Coordinated Time.

Vessel Monitoring System Unit or VMS unit means Administrator-approved VMS unit hardware and software installed on a vessel and required under §300.45 as a component of the regional VMS administered by the FFA to transmit information between the vessel and the Administrator and/or other reporting points designated by NMFS.

[61 FR 35550, July 5, 1996, as amended at 72 FR 6149, Feb. 9, 2007]

§ 300.32 Vessel licenses.

- (a) Each vessel fishing in the Licensing Area must have a license issued by the Administrator for the licensing period being fished, unless excepted by \$300.39. Each licensing period begins on June 15 and ends on June 14 of the following year.
- (b) Upon receipt, the license or a duly certified copy, facsimile or telex confirmation must be carried on board the vessel when in the Licensing Area or Closed Areas and must be produced at the request of authorized officers, authorized party officers, or authorized inspectors. Prior to receipt of the license, but after issuance, a vessel may be used to fish, provided the number of the issued license is available on board.
- (c) Application forms for licenses to use a vessel to fish in the Licensing Area may be requested from, and upon completion, must be returned to, the Regional Administrator. All of the information requested on the form and the following must be supplied before the application will be considered complete:
- (1) The licensing period for which the license is requested.
- (2) The name of an agent, located in Port Moresby, Papua New Guinea, who, on behalf of the license holder, will receive and respond to any legal process issued in accordance with the Treaty.
- (3) Documentation from an insurance company showing that the vessel will be fully insured for the licensing period against all risks and liabilities normally covered by maritime liability insurance.
- (4) If the owner or charterer is the subject of proceedings under the bank-ruptcy laws of the United States, reasonable assurances that the owner of charterer will be financially able to fulfill any and all responsibilities under the Treaty, Act, and regulations, including the payment of any penalties or fines.
- (5) A copy of the vessel's USCG Certificate of Documentation.
- (d) The number of available licenses is 45, five of which shall only be available to fishing vessels of the United States engaged in joint venture arrangements, specifically: Vessels engaged in fishing activity designed to promote maximization of the benefits

§ 300.33

generated for the Pacific Island Parties from the operations of fishing vessels licensed pursuant to the Treaty, as determined by the Administrator. Such activity can include the use of canning, transshipment, vessel slipping and repair facilities located in the Pacific Island Parties; the purchase of equipment and supplies, including fuel supplies, from suppliers located in the Pacific Island Parties; and the employment of nationals of the Pacific Island Parties on board such vessels.

- (e) Applications for vessels may be submitted at any time; complete applications will be forwarded to the Secretary of State for transmittal to the Administrator.
- (f) The Secretary, in consultation with the Secretary of State, may determine that a license application for a vessel should not be forwarded to the Administrator if:
- (1) The application is not in accord with the Treaty, Act, or regulations;
- (2) The owner or charterer is the subject of proceedings under the bankruptcy laws of the United States, and reasonable financial assurances have not been provided to the Secretary that the owner or charterer will be financially able to fulfill any and all responsibilities under the Treaty, Act, and regulations, including the payment of any penalties or fines;
- (3) The owner or charterer has not established to the satisfaction of the Secretary that the vessel will be fully insured for the licensing period against all risks and liabilities normally covered by maritime liability insurance; or
- (4) The owner or charterer has not paid any final penalty assessed by the Secretary in accordance with the Act.
- (g) An applicant will be promptly notified if that applicant's license application will not be forwarded to the Administrator, and of the reasons therefor. Within 15 days of notification by the Regional Administrator that the application will not be forwarded, an applicant may request reconsideration by providing a petition for reconsideration accompanied by new or additional information.

[61 FR 35550, July 5, 1996, as amended at 72 FR 6151, Feb. 9, 2007]

§ 300.33 Compliance with applicable national laws.

The operator of the vessel shall comply with each of the applicable national laws, and the operator of the vessel shall be responsible for the compliance by the vessel and its crew with each of the applicable national laws, and the vessel shall be operated in accordance with those laws.

§ 300.34 Reporting requirements.

- (a) Holders of licenses issued under §300.32 shall comply with the reporting requirements of this section with respect to the licensed vessels.
- (b) Any information required to be recorded, or to be notified, communicated or reported pursuant to a requirement of these regulations, the Act, or the Treaty shall be true, complete and correct. Any change in circumstances that has the effect of rendering any of the information provided false, incomplete or misleading shall be communicated immediately to the Regional Administrator.
- (c) The operator of any vessel licensed under §300.32 must prepare and submit accurate, complete, and timely notifications, requests, and reports with respect to the licensed vessel, as described in paragraphs (c)(1) through (10) of this section.
- (1) Catch report forms. A record of catch, effort and other information must be maintained on board the vessel, on catch report forms (also known as "Regional Purse Seine Logsheets", or RPLs) provided by the Regional Administrator. At the end of each day that the vessel is in the Licensing Area, all information specified on the form must, for that day, be recorded on the form. The completed catch report form must be mailed by registered airmail to the Administrator within 14 days of the vessel's next entry into port for the purpose of unloading its fish catch. A copy of the completed catch report form must also be submitted to, and received by, the Regional Administrator within 2 days of the vessel reaching port.
- (2) Unloading and transshipment logsheet forms. At the completion of any unloading or transshipment of fish from the vessel, all the information
